

A Simple Low Cost Solution to Producing Credible CCTV Evidence.

Suitable for small CCTV systems where cost is an issue. The VMS Digital Evidence Download Package allows evidence to be produced with a reliable audit trail.

The pack contains 20 pairs of colour coded discs. Each pair of discs bears a matching Unique Reference Number* (URN) for audit trail purposes.

Fields are provided on each disc for relevant information to be entered with the included permanent pen.

***NEVER use discs without URN's it could compromise admissibility of evidence.**
